Re: Albion-Sheridan Landfill Site near Albion, Calhoun County, Michigan.

Dear Sir or Madam:

The United States Environmental Protection Agency (U.S. EPA) is currently in litigation with several Potentially Responsible Parties at the above-referenced site in U.S. v. City of Albion, MI, et al., 1:97-CV-1037. Pursuant to 40 C.F.R. Part 2, as well as 58 Fed. Reg. 458, the purpose of this letter is to inform you of the limited disclosure of certain records under a protective order.

Records that you submitted to U.S. EPA pertaining to this site may contain information which you consider confidential business information. To protect such information, U.S. EPA is entering into a Stipulation and Protective Order with the parties which will prevent disclosure of confidential business information. Once that document is ratified, U.S. EPA will engage in a limited release of records to the parties. Pursuant to 58 Fed. Reg. 458, you will receive a copy of the executed agreement.

U.S. EPA is providing you with a five-day notice period prior to any disclosure. If you care to respond to this notice, your response must be postmarked or hand delivered to this office by the 5th working day after your receipt of this letter. Failure to submit a response within that time will be not be regarded as a waiver of any claims of confidentiality.

Should you have any questions in this matter, you can reach me at 312-353-8912.

Sincerely,

Kathleen R. Schnieders
Assistant Regional Counsel
